PC:

Civil Application 228/05 for condonation of delay allowed. This review petition is directed against our order dated 21.11.2003 which was passed as per the minutes filed by both the contesting parties.

2. Now it is contended on behalf of the State that the petition was liable to be allowed in terms of the order passed by another Division Bench in Writ Petition No.153 of 2002 decided on 13.12.2002. The minutes as also submissions then made did require allowing of the petition as the controversy was decided.

3. In our opinion therefore the review petition can be disposed of by substituting para 4 of the order to read as under:

> "4.In the light of this since the controversy in this matter has been now decided by this Court, therefore nothing further requires to be adjudicated upon in this case. Therefore Rule is made absolute in terms of order dated 13.1.2002 passed in Writ Petition No.153/02. With these directions review petition is disposed of."

Authenticated copy of this order be issued.
